

KC3 Funding Request:

Canvas strives to enrich the communities our employees live. KC3, funded by corporate contributions and run by Canvas volunteers, supports requests for outreach assistance in one of these four focus areas: **women, children, veterans, and education.**

Any group, organization, or nonprofit in a community where a Canvas employee lives is welcome to apply. All requests must identify a Canvas Champion who will champion your request for funding. Requests are accepted year-round and must be made via the application below. Please know, requests may be funded in full, in part, or declined. If you have any questions pertaining to this request application, or the KC3 request process, please email kc3@canvas-inc.com. From all of us at Canvas, thank you for the work you do to our community a better one!
