

JOIN OUR FAMILY.

WE ARE CANVAS.

Canvas provides engineering services and technical solutions for customers in federal and commercial markets.

We are recognized by our customers and industry partners for our ethical standards, world-class technical expertise, and dedication to accomplish the mission in a responsive, efficient and affordable manner. Canvas employees are known for anticipating the needs of our customers and delivering superior results.

As a company, Canvas is committed to excellence starting with our employees. We believe our employees are at the reason for our continued success.

Canvas was founded on our technical support to our Federal partners and the programs encompassing the Department of Defense. From Test and Evaluation of missiles and weapons systems to software Independent Verification and Validation of Government healthcare tools, we don't shy away from any mission.

WE DO

Systems Engineering

We design and manage complex systems in the engineering lifecycle for our Nation's most critical missions.

Software Engineering

We develop advanced innovations and technology solutions for numerous Weapons Systems, Space Systems, and Research and Development programs.

Test & Evaluation

We plan, develop and execute missile tests to prove near-term and advanced technology capabilities for combatant command exercises and wargames for the Warfighter.

Technology & Product Development

We fabricate and deliver systems, subsystems and components necessary to meet rapid response fielding and product development requirements.

Biomedical Engineering

We focus on technology advancements which improve human health and healthcare at all levels.

Warfighter Operations

We assist in Homeland Defense by ensuring Missile System capability and integration at both the strategic and tactical level.

Acquisition & Program Management

We provide innovative solutions to complex problems to enable senior leadership decision making.

OUR LOCATIONS

Headquartered in Huntsville, AL., Canvas serves customers in numerous U.S. locations.

WE GIVE

We strongly believe it is our duty to do all the good we can, by all the means we can, in all the ways we can.

As a company, Canvas supports sponsorship requests, volunteerism, and community involvement that focuses on women, children, veterans and education in the communities our employees live and work. We believe when we give our time and resources, we can make a big impact.

Individually, employees are invited to participate in charitable giving through our employee giving fund, Be The Good. All employees who give to Be The Good, are invited to vote to determine where their charitable funds are granted.

WE BELIEVE

In all we do, we live, work, and play by five core values.

These values have been a part of our culture from the very beginning and are the reason for our continued growth and success.

Customer Satisfaction

Going above and beyond.

Creative Expertise

Saving our customers time, money, and resources.

Family & Community

Never losing sight of what matters most.

Ethics & Professionalism

Doing the right thing, always.

Employee Growth

Investing in the careers and lives of our people.
